Response Biomedical Corp. Enters into Definitive Agreements for Going-Private Transaction and Private Placement

VANCOUVER, B.C., June 16, 2016 – Response Biomedical Corp. (“**Response**” or the “**Company**”) (TSX: RBM, OTC: RPBIF) announces that it has entered into a definitive arrangement agreement (the “**Arrangement Agreement**”) with 1077801 B.C. Ltd., a company owned by OrbiMed Asia Partners, LP, OrbiMed Private Investments III, LP and OrbiMed Associates III, LP and Shanghai Runda Medical Technology Co., Ltd. (“**Runda**”) pursuant to which 1077801 B.C. Ltd. will acquire all of the issued and outstanding common shares of Response (“**Response Shares**”) for cash consideration of \$1.12 per Response Share (except in the case of certain rollover shareholders who will instead receive shares of 1077801 B.C. Ltd. on a 1 for 1 basis) (the “**Transaction**”) by way of a statutory plan of arrangement under the *Business Corporations Act* (British Columbia) (the “**Arrangement**”). The cash consideration price represents a 51% premium to the closing price of the Response Shares on the Toronto Stock Exchange (“**TSX**”) on June 15, 2016, the date prior to the date of signing of the Arrangement Agreement. OrbiMed Advisors LLC (“**OrbiMed**”), an investment management firm focused on the healthcare sector, and its affiliates currently own 4,970,543 Response Shares, representing 50.1% of the issued and outstanding Response Shares, based on 9,925,256 Response Shares outstanding.

The board of directors of Response (the “**Board**”) formed a committee of independent directors (the “**Special Committee**”) to, among other things, review and evaluate the terms of the proposed acquisition and other alternatives, and to make a recommendation to the Board in respect of the Transaction and other related matters. Bloom Burton & Co. Limited, the financial advisor to the Special Committee, has provided a fairness opinion and formal valuation (the “**Fairness Opinion and Formal Valuation**”) and concluded that, subject to the assumptions and limitations set out therein, the consideration to be received by holders of Response Shares (the “**Shareholders**”) pursuant to the Transaction is fair, from a financial point of view, to such Shareholders.

Following an extensive review and analysis of the Transaction and the consideration of other alternatives, the Fairness Opinion and Formal Valuation and the recommendations of the Special Committee, the Board, after consulting with its financial and legal advisors, unanimously determined that the consideration to be received by the Shareholders pursuant to the Transaction is fair to such Shareholders and that the Transaction is in the best interests of Response. The Board has approved the terms of the Transaction and unanimously recommends that all Shareholders vote in favour of the Transaction at the special Shareholders’ meeting to be called to consider the Transaction (the “**Special Meeting**”).

"We believe that the Arrangement serves the best interests of our shareholders, employees, customers and business and we look forward to working towards its successful completion," said Dr. Barbara Kinnaird, Response’s Chief Executive Officer. “The existing Canada-led governance structure and the Canadian operations will be preserved. Runda’s strong sales and marketing presence throughout China and their financial strength provide an exceptionally attractive opportunity to combine with Response’s product portfolio. The transaction will provide the China sales expertise and financial resources to best help Response achieve its full potential,” added Dr. Kinnaird.

In connection with the Arrangement Agreement, all directors and officers of the Company, who in the aggregate own 305,747 Response Shares representing 3.1% of the issued and outstanding Response Shares, based on 9,925,256 Response Shares outstanding, and 1077801 B.C. Ltd. have entered into customary voting agreements to vote in favour of the Arrangement.

The Arrangement and Approvals

Pursuant to the Arrangement, each Shareholder will receive cash consideration of \$1.12 for each Response Share held. All currently outstanding stock options to purchase Response Shares (“**Options**”) will be deemed to be unconditionally vested and exercisable and be deemed to be assigned, transferred and disposed of to the Company in exchange for a cash payment from the Company equal to the amount (if any) by which the consideration exceeds the exercise price per Response Share issuable pursuant to the Options. The Options shall subsequently be immediately cancelled pursuant to the Arrangement. All outstanding Deferred Share Units (“**DSU**”) and Restricted Share Units (“**RSU**”) will be paid out in common shares of Response which will then be acquired for cash in the Arrangement.

The Transaction contains customary deal protection provisions which, among other matters, restrict Response from soliciting, assisting, initiating, encouraging or facilitating any inquiry, proposal, or offer concerning alternative acquisition proposals. However, the Transaction permits Response to respond to unsolicited written acquisition proposals under certain circumstances which include where such acquisition proposal constitutes or could reasonably constitute or lead to a “superior proposal” (as defined in the Arrangement Agreement). 1077801 B.C. Ltd. has the right to match any competing proposal for Response in the event a superior proposal is made. No termination fee is payable by either party.

The Transaction is subject to customary approvals, including, but not limited to, the approval of at least 66⅔% of the votes cast in person or by proxy at the Special Meeting, and the approval of a “majority of the minority” of the Shareholders being a majority of the votes cast in person or by proxy at the Special Meeting excluding shareholders whose votes may not be included in determining if minority approval is obtained pursuant to Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). In addition, the information circular prepared in connection with the Special Meeting is subject to review by the U.S. Securities Exchange Commission (the “**SEC**”). The Special Meeting is expected to be held on or before October 17, 2016.

Closing of the Transaction is also subject to the satisfaction of a number of conditions customary for transactions of this nature, including the receipt of certain regulatory, court and stock exchange approvals. In addition, the Transaction will be subject to approval in the Peoples Republic of China from the National Development and Reform Commission, the Ministry of Commerce, and the State Administration of Foreign Exchange.

Further information regarding the Arrangement will be contained in the information circular that Response will prepare, file and send to each Shareholder in connection with the Special Meeting.

Following closing of the Transaction, the Company will apply to have the Response Shares de-listed from the TSX.

A copy of the Arrangement Agreement will be filed on Response’s SEDAR profile and will be available for viewing at www.sedar.com.

Concurrent with the signing of the Arrangement Agreement, Response entered into subscription agreements to undertake a non-brokered private placement financing of up to 1,785,716 common shares of the Company (the “**Private Placement**”) at a price of U.S. \$0.56 per Response Share for total gross proceeds of approximately U.S. \$1,000,000. As OrbiMed is an insider of the Company, the Private Placement is a "related party transaction", as defined under MI 61-101. The Company has relied on the exemptions contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 from the valuation and minority shareholder approval requirements of MI 61-101 in respect of OrbiMed's participation in the Private Placement because the aggregate fair market value of the Response Shares purchased by OrbiMed is less than 25% of the Company's market capitalization. A material change report in respect of the Private Placement will be filed in accordance with MI 61-101.
